We Believe (Sermon Series)

Over the course of the next three months (with a couple breaks in between) we as a Corps, as the Body of Christ are going to be looking in depth at what we believe. The 11 Doctrines are the core faith principles of which we stand and believe. These 11 Doctrines printed below is what the worldwide Salvation Army united together believe. These 11 statements of faith will challenge us over these next few months, so I encourage you to read them, get to know them, come with your questions, your thoughts and we will unite together as we seek to go deeper in our understanding of these statements.

May the Holy Spirit guide you! Bill

We believe that the Scriptures of the Old and New Testaments were given by inspiration of God, and that they only constitute the Divine rule of Christian faith and practice.

We believe that there is only one God, who is infinitely perfect, the Creator, Preserver, and Governor of all things, and who is the only proper object of religious worship.

We believe that there are three persons in the Godhead-the Father, the Son and the Holy Ghost, undivided in essence and co-equal in power and glory.

We believe that in the person of Jesus Christ the Divine and human natures are united, so that He is truly and properly God and truly and properly man.

We believe that our first parents were created in a state of innocence, but by their disobedience they lost their purity and happiness, and that in consequence of their fall all men have become sinners, totally depraved, and as such are justly exposed to the wrath of God.

We believe that the Lord Jesus Christ has by His suffering and death made an atonement for the whole world so that whosoever will may be saved.

We believe that repentance towards God, faith in our Lord Jesus Christ, and regeneration by the Holy Spirit, are necessary to salvation.

We believe that we are justified by grace through faith in our Lord Jesus Christ and that he that believeth hath the witness in himself.

We believe that continuance in a state of salvation depends upon continued obedient faith in Christ.

We believe that it is the privilege of all believers to be wholly sanctified, and that their whole spirit and soul and body may be preserved blameless unto the coming of our Lord Jesus Christ.

We believe in the immortality of the soul; in the resurrection of the body; in the general judgment at the end of the world; in the eternal happiness of the righteous; and in the endless punishment of the wicked.
