WORSHIP ENSEMBLE

The Worship Ensemble has had a vibrant history at Blacktown Corps, under various leaders. Five years ago, saw the creation of a 'young peoples' worship team. A few years after the young peoples worship team was formed, it was combined with the regular team. Which saw the further development and shaping of our young people's gifts to what you see in worship today.

In the ensemble, we have developed a mentoring type program for the two main sections being: vocals and musicians. This has allowed for each section to work together independently on their craft and further develop their skills.

The ensemble meets weekly on Wednesday nights, to prepare for Sunday. They also meet twice a year for workshops, which creates opportunity to learn new music, workshop existing music and to fellowship together.

In 2014 and into 2015, the Ensemble underwent a training course entitled "The Essentials in Worship". This training series was designed to equip the team with an understanding of what it is to be a true worshipper. It considered topics such as:

- * Worship Leading (character, skills, sets, and bands)
- * Worship Ministry (leadership, 9 roles, 4 relationships, tools)
- * Worship Songwriting (from your idea to your song)
- * "Worship Values (5 values that guide what we do)
- * Worship Theology (big ideas about worship)
- * Worship History (the ways we worship over time).

This series reinforced the vision of this team as being a vehicle to facilitate corporate worship. It is the prayer of the ensemble that our gifts are pleasing to God and bring Glory to his Name.

Our Thanks go to Rod & Naarah for their time and dedication to this group. You will be missed.
