

Be in the Miracle

23rd September 2018

Welcome to Worship!

It is great you are here! We encourage you to join in with the experience of worship: sing along with us, pause and reflect, hear the Word of God and listen for the voice of God speaking to your soul. You are not here by accident so ask God what does He want to say, show or give you today?

Worst drought in 100 years

The Salvation Army have a long standing legacy providing support in Drought Relief and Rural Support through our Rural Chaplains and have been aware of the plight of drought affected farmers for a long time. New South Wales, the Australian Capital Territory and Queensland are now experiencing what has been called as the worst drought in 100 years.

In response to this The Salvation Army has released more resources and funding to the front line to help farmers and regional communities affected by the drought.

The Brisbane City Temple Corps has raised \$3032.90 that has been sent to the Rural Chaplains for distribution, through the Songs of Praise afternoon and the Adventurers Concert with the Blenders, Blindside.

Please pray that God will give our Rural Chaplains strength, as they talk to people and hear their heartbreaking stories and bring Hope to those affected by the drought.
