

## WELCOME TO WORSHIP

It's report time!

As a child at school I never really welcomed this news. The things I felt I could do well, such as talk in class, disrupt others, kick a soccer ball and eat lunch were not rated like I wanted them to be. As an adult I've received some doctor reports which have also not been welcome. Yet the scriptures say, *whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy—meditate on these things.* [Philippians 4:8 NKJV] Today we will explore faith and a "good report." But not just when it accompanies good news. Is it possible to have a "good report" even in times of difficulty?

## Don't Go anywhere!
