**21 October 2018**

## Welcome to worship!

We believe that God has something to say to you today and glad that you are here to share with us as well. Why not enjoy your time away from the ordinary, grab some lunch and join us this afternoon at 2:00pm for a concert with our special guests the Melbourne Staff Band?

If you stay for the afternoon why not stretch you day a bit longer and enjoy church with a different? God's Sports Arena commences at 5:30pm and is always a time of inspiration and encouragement!

For your comfort our parents room is on the left and bathrooms are downstairs one level. A lift is available for those not good on stairs, access through the main worship hall.

Hayley Creahan & Lindsay Hall will be married at BCT on Saturday 27th October. We are excited for them and the 5 boys as they come together as a family.

Next Sunday is Junior Soldier Renewal. Don't forget your sports team colours. If you don't have a team you are encouraged to wear Red and White.

## Just Brass/ Don't stop the music

This year, The Salvation Army will build on the success of its *Just Brass* initiative with a new three-part documentary and campaign.

Established in 2010 and running in over 20 corps nationally, *Just Brass* provides opportunities for young people to learn a musical instrument whilst also providing support opportunities and building community with both the children and their families. The program, which works by connecting corps with under-resourced schools in their local area, has proven to be an effective way for The Salvation Army to live out its national vision.

Commencing on 11 November, ABC and will screen a television series called *Don't stop the music*. The series will follow the Challis school in Armadale Western Australia, as they establish a music in their school and will document the impact music has on the lives of these young children.
