

## CHOOSE ENCOUNTER

Our financial commitment to the annual Self Denial appeal is to join with God to bring about change in the lives of people in both physical and spiritual circumstances. For many of us our hearts cry out to see the world won for God.

It is not simply a task that is met by the giving of our money – although that is so helpful and necessary and encouraged. It's much bigger than that! The world will be won for God by the power of God – the Holy Spirit- at work in the lives of all people. When you encounter the Holy Spirit for yourself and see what the power of God can do in your life then you will be bursting to share the gospel and be a living example of the gospel to the people around you.

A challenge for all of us during this self-denial appeal is to give up control of our lives totally to God. Press into God and allow his Spirit to transform us so that we can experience the fullness of life that Jesus came to give. Then go and share the gospel with others and see the power of God at work to bring about change.

### *Our National Vision*

Wherever there is hardship or injustice  
Salvos will live, love and fight  
Alongside others  
To transform Australia one life at time  
With the love of Jesus

## Donating to the 2019 Self Denial Appeal

Over the past few weeks you have been encouraged to prayerfully consider your giving to this year's self-denial appeal. On Sunday **April 7** as a Corps we will bring our financial gifts and place them on the altar as a sacrifice and an offering to God and for the benefit of the International Salvation Army.

You can make a financial donation to this year's appeal via credit card or cash. Your donation can be specified as either Tax deductible or Non –tax deductible.

Non-tax deductible or Mission Support Funds support welfare initiatives and build the organisational strength of The Salvation Army in developing countries, through, for example, the provision of church halls, residences for officers, computers and training.

Tax deductible funds are used to support community development initiatives such as poverty alleviation and clean water.

Envelopes are available today for you take as you continue to prayerfully consider what God is asking you to give on Sunday April 7.

**Praying for Others** We have a great opportunity to pray for and care for each other in our Corps. ## Praying for our children and youth

The weekend of 29-31 March is a significant opportunity for us to be in prayer for our children, youth and their leaders. Youth Councils will be happening at Riverview over that weekend and a number of our youth and young adults will be attending.

On Sunday 31 March we have the opportunity to focus on our children and to pray for them. We are blessed with children, youth, young adults and leaders in this Corps and it is our prayer that each of them will come into a deeper relationship with Jesus and be disciples in their schools, universities and places of work.
