STORY SCRIPT

	In the Bible Jesus tells us that even though we can't see him, he wants to be our friend.
	When Jesus lived on earth he had a group of close friends. They worked together, went to church together and hung out together.
	Sometimes when we are spending time with a group of friends at school, or parties or at church we find that not everyone is getting along together.
	Sometimes we can end up feeling alone and lonely.
	Jesus promises to be a friend to everyone. He doesn't want to see anyone feeling alone or lonely. When you feeling alone, try to remember that Jesus is with you, that he is your friend and that he will stick by.
