

International Day of Prayer for Children together

Prayer Points

The following prayer points are provided as a starting point. Each Corps is encouraged to focus locally, nationally and internationally, praying freely as the Holy Spirit leads.

Lord we pray that the children of the world will:

- Have the hope of salvation in their hearts
- Will daily rely on God
- Will grow in faith
- Have strength to endure the day to day challenges
- Be protected from harm
- Have the opportunity to be educated in a safe environment
- Be embraced in a loving family environment
- That their parents or guardians would come to know you and teach them your ways
- Grow into the people you created them to be
- Be healed of any physical or emotional pain
- See and experience justice

Lord we pray that children will know:

- Salvation
- Hope
- Freedom
- Healing
- Protection
- Provision
- Justice
