

God Squiggle

- Aim:** To produce creative, biblical ideas in a fun way.
- What:** Just like the original game, Mr. Squiggle, only with an added level of creativity. The goal is to produce a picture from a squiggle that portrays some sort of God message. This message may be anything from Bible stories to messages from God to characteristics of God. Anything Christian related!
- How:** One volunteer is to be blindfolded. Paper/whiteboard/blackboard & pen/whiteboard marker/chalk is to be placed in front of them. The volunteer proceeds to "Squiggle" on the provided canvas, making it as difficult, easy or creative as he/she wants. A second volunteer is then required to creatively turn this squiggle into something Christian related. Good luck!
- Who:** Ideal for children's ministries or small group youth meetings.
- Resource:** Paper/whiteboard/blackboard, pen/whiteboard marker/chalk, blindfold.
