

Heavenly Father

We thank you for the sure foundation that we have in You.

We believe that You are calling Lake Community Church to a deeper relationship with You and as a result, to produce fruit that will last, enabling us to endure through any season.

We know that this will only be possible if, by your grace, you remain in us and we remain in You.

We confess that we have not always done what You called us to do and we thank You that You are faithful to forgive all our shortcomings through our Saviour, Jesus Christ.

We acknowledge that You are our hope and confidence. Thank You for your provision as we have trusted in You. Help us to trust you in every circumstance.

We are confident only in the power of the Holy Spirit to do the things which You call us to do, for Your glory.

And therefore – Lord create in us a state of fearlessness, by Your Spirit, to achieve your kingdom purposes through us. Give us great boldness in preaching Your word. Stretch out Your hand with healing power. May miraculous signs and wonders be done through Your name.

Grow our faith to believe for even greater things in our church and our community, as we seek your kingdom to come and for your people to know life in all its fullness.

In Jesus' name
Amen

Jesus

We honour You as Head of Lake Community Church.
We are part of Your church – the church which You
purchased with Your own blood.

Thank You...

You are our hope and confidence.

You are our sure foundation.

We acknowledge Your amazing faithfulness, and
abundant provision.

We want to trust You always.

We confess that we have not always been the people
that we could have been. Nor have we always walked
in obedience by doing what You called us to do.

Thank you for Your forgiveness.

We have a passion to live and work in partnership with
You. Your voice is calling us deeper into Yourself,
encouraging us as Your people to live and serve in
unity. That is Your heart for Your church – may it be
our heart too.

We are dependent on Your Spirit to create in us a
spirit of fearlessness, and holy boldness, so that we may
represent You well and make a difference in our
community.

We want to be Your hands – Your feet – Your voice –
Your eyes – Your ears - Your heart in our community.

We pray for increasing love for You, for each other,
and for our community.

In Jesus' Name

Amen
