

# Family Store

**One hundred and five** and we've saved a few lives. Well, that's how I look at it. Last Saturday we at the Family Store provided our wonderful customers much needed succour and comfort. Based on research that "Coffee May Help You Live Longer" The Street Level coffee van we had at the Family Store gave away 105 cups of Barista created coffee at the " ½ price everything" sale.

We just were amazed at the amount of new customers that arrived to get the best bargains. Arrived early as well! Some the day before. Not sure how that works, though.

**Eighty two sausages.** Yeah, the most serious of all nutritious health food groups at any event! We gave them away as well. Captain Ashley declared that his kitchen ruled. And it did judging from the donations towards them. Except for the stray sausage that dropped onto the concrete. We're not talking about that one. Ever.

**Eighteen thousand seconds** is the time that our Volunteers donated to make the sales event an outrageous success. Not a moment was lost on me for the efforts they put in!

**Eternity.** Sorry, cant measure this one at all. But when people come to our Store they notice things. We hope that they may want to *come back* to, or *go* to a church that's as friendly as the Shailer Park Family Store.

Let's pray so.

**Stu Robertson**  
Family Store Manager

## October 2014 News

Monthly Newsletter of Life Community

*Prayer is not a way of making use of God prayer is a way of offering ourselves to God in order that He should be able to make use of us. It may be that one of our great faults in prayer is that we talk too much and listen too little. When prayer is at its highest we wait in silence for God's voice to us we linger in His presence for His peace and His power to flow over us and around us we lean back in His everlasting arms and feel the serenity of perfect security in Him.*

**29th November**

**Getting to know you....** This month we find out more about congregation member, Craig ledema who mans the sound desk regularly for the worship team.

*How do you earn your daily bread?* IT Consultant

*What is your favourite food?* Mmm, that is hard. I like a lot of things - but if it had to be one I would say Thai Green Chicken Curry

*How long have you been coming along to Life Community Church?* Since 2008.

*What are you loving about our church at the moment?* I am really enjoying being part of the sound team. It gives me a sense of purpose in church.

*Some of our congregation may have seen you behind the sound booth as part of our worship team, what other things and hobbies are you passionate about?* I am an avid motorcycle rider and enjoy long distance travel on one, having ridden across Russia, Central Asia, Mongolia and North America along with many parts of Australia. If I could produce an income from this it is what I would do. I also am passionate about Social Justice Issues, the plight of the less fortunate and those who haven't been afforded the opportunity that I have.
