

Introducing

The North Brisbane Salvation Army would like to introduce its latest connection group...

The Sally Van-ners and Campers Group is for people who have an interest in camping, caravanning and kicking back for a while with other Church folk.

The Sally Van-ners provides a social network where people can get away from the pressures of work and take time out, chat around the camp fire, be together as a family and relax!

Matthew 16:30 So the people rested on the seventh day.

How's it Work?

-  Each year *The Sally Van-ners* will coordinate a Church Holiday to a particular location.
-  The holiday will most likely be in the school holidays as the majority of campers have families.
-  Stay for however long you like, some will stay a week while others may only want a weekend.
-  You will need your own accommodation. Bring your caravan, camper, tent, swag, tee pee or hire a cabin if there available. You pay for your site/cabin accordingly.
-  *The Sally Van-ners* will coordinate the holiday but it is a *user pays* system. ie if your miss paying the deposit on time then you may not get your site/cabin.
-  Where possible, *The Sally Van-ners* may be able to secure group discounts however there is no guarantees.
-  There are no planned activities throughout the holiday, you entertain yourselves. It's not compulsory to sit around a camp fire and chat if you don't want too - it's your holiday.
-  *The Sally Van-ners* will release details regarding the next holiday with plenty of time for people to consider and book.
-  Enjoy the fellowship and relax, it's meant to be a holiday.
