# Nairobi Girls Training Centre

This is a Salvation Army operated boarding school / vocational training centre exclusively for girls from 15 to 25 years of age. At its full capacity, it hosts 100 girls, generally orphans and from vulnerable backgrounds. They are looking to learn a skill that will open a door for their future.

The centre offers 10 vocational courses:  
Catering | Nutrition | Home Management | First Aid | Dress Making | Knitting | Crochet | Embroidery | Hair dressing and Child care.

The monthly fee per child is 300KES (\$50 AU), which covers their studies, food and health care. They are also required to purchase a kit of materials worth \$200 a year, which for the great majority is impossible.

The fees are very low, yet about half the girls drop out by mid year, as they can not afford to continue the payments.

This centre struggles greatly with the little income that it generates to provide a good nutrition for its girls. Their menu is very basic, it consists mainly of maize and beans; but even so, food is the biggest expense of all, \$3000 AU a month to feed 100 of them.

To raise funds, the centre manager rents out a few of the spare rooms to female non-students, and also hires the rooms for Salvation Army conferences.

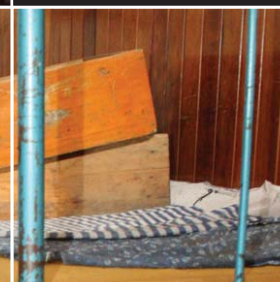

However, since the expenses are bigger than the income, they are limited in what they are able to do. **That is why your sponsorship for this place is needed!**

By sponsoring this centre you will help keep its doors open for all girls who enrol at the beginning of the year and will also help to increase the quality of their meals.

The girls' home is located in downtown Nairobi, the capital city of Kenya and it is a place of Hope and Rescue for young girls.
