Camping Trip Details

PURPOSE

The purpose of this weekend is for you to spend some good relaxing time with friends.

At the end of the camp we hope that you would be able to return home to your families, work and ministries feeling revitalized and relaxed.

During the weekend we will open the Word for our spiritual refreshment together, and there will be times when we can be on our own or with trusted friends to meet with God and pray and worship in whatever way works for us.

Aside from that there is little structure planned, some may like to go hiking or fishing, or maybe you would like to visit the nearby Yarrangobilly Caves or Blowering Dam.

Please note: Catering will be BYO and self prepared
