Well Christmas & Easter are over and what comes next on The Salvation Army calendar? **RED SHIELD!!!** Lets all get excited and motivated and ready to help at a local level! First things first, the Red Shield weekend is May 28th & 29th (remember no Church on the 29th). We generally collect on that weekend from 9am—4pm both days. Usually there are other locations besides the door knocking that we do during the week leading up to the weekend. You may be wondering what happens to the money that is raised during the time of Red Shield? This money goes into the Social Services work that The Salvation Army does. So counselling, rehabilitation, Youthlink and the many other services in the local area. Every are of The Salvation Army has a monetary goal; ours is \$28,000. So, you may be asking how can I help? There are several areas in which help is needed and, depending on the area there are different people to ask. I have put on the Notice Board a layout of what is needed along with the number of people needed for that area. I have also included the person to speak to; that is, the person in charge of that particular area.

Captain Bill and I are counting on the Church Family to help us this year! You may feel like you can't help; but believe me there is something for everyone! If you are will to go door to door or stand at a community collection point the you are the face of The Salvation Army. What an amazing task your have!

Please pray about how you can help and if you have any questions come and speak to Captains Susanne or Captain Bill
