#### Generous Life

Generous Life focuses on corps and how they are travelling when it comes to generosity - individually and as a congregation.

The Generous Life Team provide coaching and mentoring which includes assessing current situation in mission, ministry, giving and the overall culture of generosity. It is an opportunity to seriously look at where the corps is and where it needs to be. Corps leadership teams play a very important role in this process.

Previously The Salvation Army in this Territory had what we call Planned Giving. Generous Life could be seen as this but taken to the next level. In fact this is how we are different:

#### PLANNED GIVING

##### FROM

Program Development  
Structured  
Inflexible  
Non negotiables  
Tight time frame  
Finance focus  
Lay leadership  
Headquarters owned  
Raising funds  
Transaction

#### GENEROUS LIFE

##### TO

Directed Coached  
Framework  
Flexible  
Corps need focused  
Locally determined time frame  
Generosity focused - holistically  
Local leadership  
Corps owned  
Culture of Generosity  
Transformation

This is an exciting journey and we look forward to seeing what God has in store as we all become more generous.

#### What is Generous Life Coaching?

Rather than directing we are about listening to the needs of the individual corps and supporting the Corps Officer/s and Leadership as they discover where the corps is and where it needs to be, and how to get there.

Coaching is very much self directed because we believe that the answer lies within the life and experience of the corps. Coaching uses various tools to help the answers come out.

Generous Life is an exciting adventure that the Corps is going on. We will be looking into this more specifically in April. In order to help us understand and learn more we are going to be using the book by Gordon McDonald entitled, "Generosity - moving toward life that is truly life" We are going through it as a church family however **if you would like to purchase a copy for your own use they are available for \$10. Please tell Captain Susanne and give her the money ASAP**

If you prefer to purchase the book as an IBook then this can be done through APPLES IBook for around \$5.
