Casserole Club

The Casserole Club is a free local food-sharing community which connects enthusiastic home cooks, who want to share their food and meet new people, with those in need. Through this partnership The Salvation Army offers the opportunity for those in need to receive a home-cooked meal, made and delivered by a friendly neighbour. We are looking for several families that would be able to cook a meal for someone in their neighbourhood that The Salvation Army designates. If you would like more information, please see Bill or Susanne.

Self-Denial

Each year, the Self Denial Appeal stories inspire and challenge us to give sacrificially.

The 2016 appeal featured four inspiring stories of people from India, Myanmar, Jamaica and Moldova, whose lives were transformed through your generosity. We remember Dr Caraman, who runs free health clinics in Moldova for people experiencing hardship, and Aruna from Mumbai, who felt trapped by her circumstance until she met a Salvation Army community worker.

Our 2017 appeal, *Love Changes Lives*, introduces four new friends who have risen from difficult beginnings:

- Colonel Rohini from Sri Lanka, who was left as a newborn baby at a Salvation Army children's home.
- Esther in Kenya, who was given the opportunity to start a small business to support her family.
- Ira Mae, who has a new school to attend after the devastation of Typhoon Yolanda in the Philippines.
- Vicente and Ana from Mexico, whose lives were changed through the love of Jesus.

These heart warming stories demonstrate how your gift of love changes lives. Over the course of the last 4 years as your Officers, we have been so blessed by your giving support to the Self Denial effort. As always pray, ask God for his leading and direction in what you give. Allow this giving opportunity to impact how you worship God. Susanne and I are praying for a wonderful leading of the Spirit in this year's Self Denial Appeal. Let God lead and go before you.
