

Psalm 78 v 4 says..... 'tell the next generation the amazing things God has done'.

To impact this generation, it would be great if our culture was to give children a Bible when they first come to the Salvos.

Children can explore God's Word themselves & apply His truth to their lives.

Some will become *friends with Jesus*.

YOU CAN HELP BY:

☑ Financial support for the initial supply of Bibles throughout the territory. (*donations can be made at your local Salvos*)

☑ Families, individuals or corps groups buy a Bible a month.
