The Salvation Army

Gympie

Sunday 19th & 26th May 2016

The Salvation Army Gympie is a faith community that encourages ongoing personal spiritual growth to equip people to love and serve God and the community through practical Christianity.

Good morning and a warm welcome to everyone who has been able to join us this morning.

Popularity is fickle. Just ask a politician. Many of them watch their ratings to see how their constituents view their policies. They may start with a high rating, but then it steadily declines during their term.

Jesus also experienced a sharp decline in popularity. His popularity reached its peak after He fed the 5,000 (John 6:14-15). It plummeted when He told His listeners that He had "come down from heaven" (v.38). Their response to His stupendous claim was, essentially, Who does this guy think He is?! (see v.41). Jesus' popularity continued to dip when He explained how they could have Him as spiritual bread (vv.51-52). Perplexed by what they heard, they said, "This is a hard saying; who can understand it?" (v.60). As a result, many left Him.

The crowds followed Jesus conditionally. They were happy only as long as Jesus supplied their needs and met their wants. They balked when He asked for commitment. Jesus' question to His disciples was "Do you also want to go away?" (v.67). Peter answered, "Lord, to whom shall we go? You have the words of eternal life" (v.68). Will you, like Peter, choose to ignore the world's rating of Jesus and follow Him daily?

Those searching to know life's true meaning can find it in only one way: By serving the Lord with commitment, And living for Him day by day. —Branon
