# The Salvation Army

## Gympie

Sunday 17th & 24th July 2016

*The Salvation Army Gympie is a faith community that encourages ongoing personal spiritual growth to equip people to love and serve God and the community through practical Christianity.*

Good morning and a warm welcome to everyone who has been able to join us this morning.

### **Cleaning Our Minds**

*They burrow. They bore in. They attach themselves inside your head. Earworms, a term once used exclusively for insects, is now the name for those unrelenting tunes that you can't get out of your head. Songs like, "The Lion Sleeps Tonight," the "Barney" song, or my personal nightmare: "It's a Small World After All." They say the only way to rid yourself of the insidious infestation is to replace it with another tune—your "cleaner" song. New words and a fresh tune can crowd out the old. Maybe we could use a cleaner song for our thought-life as well. When lustful or vengeful thoughts creep into our minds, reading and meditating on God's Word can help to clean up our thinking.*

*Scripture tells us to love the Lord "with all [our] heart, with all [our] soul, and with all [our] mind" (Matt. 22:37) and not to "be conformed to this world" but to "be transformed by the renewing of [our] mind" (Rom. 12:2). It instructs us to think about things that are true, noble, right, pure, lovely, admirable, excellent, and praiseworthy (Phil. 4:8).*

*When our minds wander to evil, the best "cleaner" is to allow the wisdom of the Bible to permeate our thoughts and hearts (2 Tim. 3:16).—Cindy Hess Kaper*

**If there is any virtue and if there is anything praiseworthy—meditate on these things. —Philippians 4:8**

## HIGH TEA

### HIGH TEA DATES

There is a list on the notice board of dates for High Tea. We have not been able to include everyone in the corps before Christmas but will do so next year. If the date is unsuitable please let Major Clair know. You will receive an invitation two weeks before so please make sure you check your folders.

### BUS PICK UPS

Alan is having trouble getting text messages on his phone so please call his home number and leave a message if he is not there. This will ease some frustration for all concerned.

### Salvation Army Symposium

**Saturday 23<sup>rd</sup> July 9am-6pm**

If anyone would like to attend this we would be happy to organise the bus for it. We would need to have at least 6 people though to make it viable. Please add your name to the list. We could come back mid afternoon if, by consensus, the whole day is too long. At present the proposal is to leave Gympie at 9am and return from Maroochydore at 3pm.

**Property Update:** We have had our grant request for gambling money to renovate family store approved. Work will commence soon. This work will include: sealing the cement floor, lining the walls and installing air conditioning.

*We thank God for His generosity in providing this money for us.*

**OASIS Name Change:** OASIS will revert to the original name of HOME LEAGUE from now on. It is a name and concept ladies are familiar and comfortable with.

**Family Store Ad:** Laura has put together an ad for the family store which will be shown in the local cinema over a 6 week period. We are not sure when it will commence but will let you know as soon as we do. It looks fantastic. I'm sure Laura will show you if you ask her. Or else why not plan a trip to the movies to see it on the BIG screen.
