# The Salvation Army

## Gympie

Sunday, 28th August

& Sunday, 4th September 2016

*The Salvation Army Gympie is a faith community that encourages ongoing personal spiritual growth to equip people to love and serve God and the community through practical Christianity.*

Good morning and a warm welcome to everyone who has been able to join us this morning.

### Lambs May Wade

*Author C. S. Lewis says that religious concepts are like soups—some are thick and some are clear. There are indeed "thick" concepts in the Bible: mysteries, subtleties, and complexities that challenge the most accomplished mind. For example, "[God] has mercy on whom He wills, and whom He wills He hardens" (Rom. 9:18). And yet, in the same volume there are thoughts that are crystal "clear": simple, attainable, and easily grasped. What could ever surpass the simplicity of the clear affirmation in 1 John 4:16, "God is love"?*

*John Cameron, a 15th-century writer, suggests, "In the same meadow, the ox may lick up grass, . . . the bird may pick up seeds, . . . and a man finds a pearl; so in one and the same Scripture are varieties to be found for all sorts of conditions. In them, the lamb may wade, and the elephant swim, children may be fed with milk, and meat may be had for stronger men."*

*All the treasures of wisdom and knowledge are found in God's Book, the Bible—ocean depths that can stir the most sophisticated mind, and shallow areas that can be negotiated by any simple, honest soul.*

**Why hesitate? "All Scripture . . . is profitable" (2 Tim. 3:16).**

*Jump in! Thy Word is like a deep, deep mine, And jewels rich and rare Are hidden in its mighty depths For every searcher there.*

**God speaks through His Word—take time to listen.**
